ACADEMIC ATTIRE

All candidates for degrees and those who hold these degrees, including University officials, faculty, and visiting dignitaries, are attired in traditional cap and gown. The basic color for many caps and gowns is the formal black. However, recipients of different degrees wear distinctive tassels on their caps and hoods of various hues draped down the backs of the gowns.

CAPS

Candidates for Bachelor's degrees wear the regulation cap with the tassel appropriate to the school or division from which they are being graduated, with the exception of those who already hold Doctoral degrees and are privileged to wear gold or silver tassels. Candidates for Master's degrees wear black tassels with their school or division represented by the color on their hood. Except during the playing of the "Star Spangled Banner," traditionally males in academic regalia wear their caps. The authorized list of tassel and hood colors follows:

| | |
|--|---|
| Agriculture, Food and Environment - Maize | Engineering - Orange |
| Arts and Sciences | Fine Arts - Brown |
| Arts - White | Music - Pink |
| Sciences - Gold | Graduate School |
| Business and Economics - Drab | Diplomacy - Peacock Blue |
| Communication and Information | Public Policy and Administration - Peacock Blue |
| Communication - Silver/Gray | Health Sciences - Mint Green |
| Journalism - Crimson | Law - Purple |
| Library Sciences - Lemon | Medicine - Hunter Green |
| Dentistry - Lilac | Nursing - Apricot |
| Design - Blue Violet | Pharmacy - Olive Green |
| Historic Preservation - Sage | Public Health - Salmon |
| Education - Light Blue | Social Work - Citron |

GOWNS

The gown for the Bachelor's degree has pointed sleeves. It is designed to be worn closed. The gown for the Master's degree has an oblong sleeve, open at the wrist, like the others. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has an arc cut away. The gown is designed and supplied with fasteners so that it may be worn open or closed. The gown for the Doctoral degree has a bell-shaped sleeve on which are three velvet bars. Usually the gowns for Doctoral degrees are black but sometimes other colors, depending on the degree or the college or university. The University of Kentucky gown for the Doctoral degree is royal (UK) blue with black panels and three black bars on the sleeve.

HOODS

The Master's hood is long, has a wide velvet edging, and exposes the lining. The outside velvet trim color designates the degree that the person is receiving. The Doctoral hood is easily recognized by the width of the velvet edging, the wide panels at the sides, the greater length, and the full exposure of the lining. The colors of the edging most frequently seen are blue for philosophy, green for medicine, purple for laws; the colors for the honorary Doctoral degrees are purple for laws, white for arts/letters/humanities, and golden yellow for science.

CORDS AND SASHES

Black, blue, and white cords indicate membership in Omicron Delta Kappa National Leadership Honor Society.

Red, white, and blue cords indicate military service.

Double white honor cords signify academic honors of cum laude.

White and gold honor cords signify academic honors of magna cum laude.

Double gold honor cords signify academic honors of summa cum laude.

Silver cords indicate the wearer is a student athlete.

Purple and white sashes indicate the wearer is a Singletary Scholar.

Green and red sashes indicate the wearer is a Gaines Scholar.

A medallion with a white ribbon indicates the wearer is a graduate of the Lewis Honors College.

"The Star Spangled Banner"

Oh say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.

Chorus

*Oh say, does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?*

"On! On! U. of K."

On, on, U. of K. We are right for the fight today,
Hold that ball and hit that line;
Ev'ry wildcat star will shine;
We'll fight, fight, fight, for the blue and white,
As we roll to that goal, Varsity,
And we'll kick pass and run, 'till the battle is won,
And we'll bring home the victory.

Terry Woodward
Honorary Doctor of Humane Letters

Terry Woodward graduated from the University of Kentucky with a degree in commerce, becoming the first member of his family to graduate from college. Terry says that graduating from the University of Kentucky provided him the education and confidence to be successful in all aspects of life.

Shortly after graduating, Woodward joined his father in their family business, Wax Works, Inc.

Woodward through the years from this small company developed a music retail chain of stores, Disc Jockey, that grew to 240 locations in 37 different states. He sold the chain of stores in 1999.

With the advent of the VCR, his company became a national distributor of video for all the major Hollywood film studios servicing over 5,000 retailers.

In 2006, he started a company called Team Marketing, which grew to be the largest holder of licenses for college sports video in the nation. His company also had exclusive licensing agreements with ESPN, NASCAR, the NBA, Fox Sports, ABC Sports and CBS Sports.

Despite many personal challenges, Woodward reached extraordinary milestones, and to recognize his remarkable success as a visionary entrepreneur, he was inducted into the University of Kentucky Gatton College of Business and Economics Alumni Hall of Fame in 1999.

Woodward has a lifelong record of strengthening his community of Owensboro, Kentucky and intentionally kept his business there, creating a substantial economic impact in his hometown over several decades.

His community impact extends to his philanthropic efforts to help students follow in his footsteps at his alma mater. His financial gifts for scholarships and funding for the expansion of the Gatton College of Business and Economics facility demonstrate his commitment to the development of education for students on campus.

The University of Kentucky is proud to present Terry Woodward with the degree of Honorary Doctor of Humane Letters.

Kris W. Kimel
Honorary Doctor of Humane Letters

Kris W. Kimel a graduate of the UK College of Social Work, has spent most of his career working in science, technology, engineering and math (STEM) education, innovation and entrepreneurship. Throughout every stage of his career, Kimel has exemplified an exceptional commitment to bettering the lives of those in the Commonwealth of Kentucky.

Early in his career, Kimel served as the executive assistant for the Kentucky Attorney General and chief administrative assistant for Lieutenant Governor Steve Beshear.

The accomplishments under Kris Kimel's leadership indicate the diversity and depth at which his work impacted the community. As the co-founder and president of the Kentucky Science and Technology Corporation from 1987-2018, Kimel and his team advanced the development of science, technology and innovation across Kentucky.

Under Kimel's leadership, the Kentucky Science and Technology Corporation created the Kentucky Enterprise Fund the first state funded venture fund for innovation-driven companies, provided learning opportunities in classrooms and unique workshops, brought innovative changes to rural areas, and advanced STEM education to ensure that students in the Commonwealth thrive and reach their highest potential.

Later in his career, Kimel founded the IdeaFestival, an annual celebration of innovative thinking and ideas and co-founded and chaired Space Tango, a commercial space company headquartered in Lexington that undertakes research, design, and manufacturing on the International Space Station.

In 2019, Kimel founded Humanity in Deep Space, an initiative that fosters a planetary conversation as humankind continues its transition into space. This "out of this world idea" indicates a forward-thinking mentality, as conversations surround the possibilities and limitations of the future.

Kris Kimel's work is uniquely others-focused, evidenced by his unwavering devotion to philanthropy, human development, education and societal well-being. He has made education more accessible, provided opportunities for rural communities, and made considerable progress to better the Scientific and Technological education and economic development efforts within the Commonwealth of Kentucky.

The University of Kentucky is proud to present Kris W. Kimel with the degree of Honorary Doctor of Humane Letters.

GRADUATES WITH HONORS

Students who attain a grade point average of 3.8 or higher for at least three years (90 hours) are graduated with "Summa Cum Laude." Students who attain a grade point average of 3.6 to 3.79 for at least three years are graduated "Magna Cum Laude." Students who attain a grade point average of 3.4 to 3.59 for at least three years are graduated "Cum Laude." A student who has spent only two years (60 hours) at the University may receive any of the above honors if he or she attains a standing of .2 higher than the three-year (90 hours) requirement.

Students eligible for these awards are identified by the braided cord worn on the left shoulder. Students graduating Summa Cum Laude wear a double gold cord; students graduating Magna Cum Laude wear a white cord and gold cord; and students graduating Cum Laude wear a double white cord.
