# TIPS FOR PROTECTING YOUR MONEY

**Swipe your card** to pay instead of paying cash – it's safer.

**Select a unique PIN** and keep it a secret. Never use obvious information, for example your telephone number, date of birth or address for your PIN.

**Memorise your PIN.** Never share it with anyone and do not write it down or keep it on your cellphone – not even in a disguised format.

**Change your pin** immediately if you suspect that someone knows it, including a friend or family member.

**Be aware of your surroundings** when using an ATM or when paying for goods. Never accept help from anyone, not even from legitimate-looking security.

If you think an ATM or self-service terminal has **kept your card**, or that someone may have **seen your PIN**, call Nedbank Card (lost and stolen cards) on **0800 110 929** or the Nedbank Contact Centre on **0860 555 111** and cancel your card immediately. You can also immediately **block and order another card** on the **Nedbank Money app**.

**Always shield the PIN pad** when using an ATM or when paying for goods.

If you are uncomfortable while transacting at an ATM, **cancel the transaction** and use a different machine.

**Never share your one-time password (OTP)** over the phone or accept an Approve-it message on your cellphone if you have not initiated a transaction online.

Be particularly wary of emails or telephone calls asking you to share your PIN, OTP or card details for security or login purposes. **Never tell anyone your PIN or OTP.**

**Be aware of online fraud scams.** We will never ask for login details, for example your PIN or password, via email or SMS.

If you get an Approve-it message for a transaction that you have not initiated, decline the transaction and report it to us on **0800 110 929** immediately. Make sure you get **transactional SMSs** to track activities on your account.
